

**National Toxicology Program**  
U.S. Department of Health and Human Services

**Draft Report on Carcinogens (RoC) Monograph on Haloacetic Acids  
Found as Water Disinfection By-Products**

**Peer Review Charge  
July 24, 2017**

The Monograph Peer Review Panel is charged to:

- (1) Comment on whether the draft RoC Monograph on Haloacetic Acids Found as Water Disinfection By-Products is technically correct, clearly stated, and objectively presented.
- (2) Provide opinion on whether there is currently or was in the past significant human exposure to haloacetic acids found as water disinfection by-products.
